

ExeSim Mobile Voice Prepaid Plans

This summary gives you the important information you need to know about your Exetel mobile voice plan. It covers things like the plan period, billing, what's covered and what's not.

Information about the service

ExeSim Mobile Voice Prepaid plans offer a 3G, 4G and 5G (on the Max plan) mobile voice service. We use the Telstra Wholesale Mobile Network, learn more at <https://www.telstrawholesale.com.au/mobile-network.html>. The ExeSim Mobile Voice Prepaid plans include a 30-day plan validity period and are available for personal use only. The plans have auto-recharged plan fees, included and unlimited allowances and up to 1000GB Data Bank limit, see plans below for detail.

Included national calls and SMS/MMS:

- Unlimited standard calls to national fixed lines and standard national mobile, 13/1300, 18/1800 and voicemail.
- Unlimited standard national SMS and to other Australian mobiles.
- 2,000 Free Text, Picture and Video national MMS to other Australian mobiles.

Plan name	Mobile Network Capable	Min/Max 30-day charge	Included data**	Data cost per GB	Data Bank limit	International calls and SMS	Speed Cap
Saver	3G & 4G	\$18	7 GB	\$2.57	500GB	PAYG	Download speeds are capped at 100Mbps
Value	3G & 4G	\$24	20 GB	\$1.20	500GB	PAYG	
Extra Value	3G & 4G	\$30	30 GB	\$1.00	500GB	Unlimited to 15 countries^	
Plus	3G & 4G	\$36	45 GB	\$0.80	500GB	Unlimited to 15 countries^	
Ultra	3G, 4G & 5G	\$48	100GB	\$0.48	1000GB	Unlimited to 15 countries^	Download speeds are capped at 250Mbps
Max	3G, 4G & 5G	\$60	150GB	\$0.40	1000GB	Unlimited to 15 countries^	

^ Bangladesh, Canada, China, Greece, Hong Kong, India, Ireland, Japan, Malaysia, New Zealand, Singapore, South Korea, Thailand, UK and USA.

Speed Cap Disclaimer for 4G plans. Download speeds are capped at 100Mbps. This is the maximum potential download speed. Speeds vary due to various factors like your location, device and network congestion.

Speed Cap Disclaimer for 5G plans. Download speeds are capped at 100Mbps or 250Mbps (see table above). This is the maximum potential download speed. Speeds vary due to various factors like your location, device and network congestion.

Plan fees are payable in advance and will be automatically recharged every 30 days or if you recharge early or up/down-grade your plan. The included national data allowance, which includes all usage for both uploads and downloads, expires at the end of each plan validity period

with any unused data rolling over to the Data Bank. If you recharge your plan to a lower plan price, your Data Bank data balance will be reset to 0MB. This is a stand-alone service and is not bundled with any other product. There is no early termination fee, but if you cancel your service, any remaining credit will not be refunded.

The ExeSim Mobile Voice Prepaid plans also come with two optional Additional National Data Allowance Add-on plans and an Additional International 300-minute Call* (IDD) and Unlimited Standard SMS to 30 Countries Add-on for use in Australia as follows:

Add-on Plan	Price	Plan validity	What happens at end of plan validity
1GB** Data	\$10	To end of 30-day Voice Plan	Unused data rolls over to Data Bank
5GB** Data	\$25	To end of 30-day Voice Plan	Unused data rolls over to Data Bank
IDD*300 Minute Call Allowance~ and Unlimited SMS	\$6	30 days	You must recharge IDD plan

* Bangladesh, Brazil, Canada, Chile, China, Colombia, Denmark, France, Germany, Greece, Guam, Hong Kong, India, Indonesia, Ireland, Israel, Japan, Malaysia, New Zealand, Norway, Pakistan, Peru, Romania, Singapore, South Korea, Spain, Sweden, Thailand, UK and USA

** Data is measured per kilobyte and rounded up to the nearest kilobyte.

~ Charged in 60 second increments.

BYO device

A compatible mobile (with the Telstra Wholesale 3G, 4G and 5G Networks) device is required to gain access to the service and is required to be operated inside the coverage area. More information on device requirements and coverage is available here: <https://www.exetel.com.au/mobilephone/coverage>

Minimum term

As this service is a prepaid service, you can recharge, change your plan or cancel at any time without notice.

Included in these plans

The included National Data allowance can be used in Australia to access the internet from a compatible device. The unlimited national talk allowance can be used to make calls in Australia to Australian fixed lines and mobile numbers. The Unlimited National Standard SMS allowance can be used in Australia to send standard SMS to Australian mobile numbers in Australia. The 2,000 Free National MMS allowance can be used in Australia to send Text, Picture and Video MMS to Australian mobile numbers in Australia. The unlimited International call and SMS allowances can be used to make calls in Australia to overseas fixed lines and mobile numbers and send SMS's to overseas mobile numbers in selected countries.

What is not included in these plans

The National talk, Standard SMS and 2,000 Free MMS allowance cannot be used for calls and messages that are not specifically mentioned in the included allowance; which includes (but is not limited to); content packs, directory assistance or any other content services or charges. Premium Calls to 190X or 0055 services, Premium SMS/ MMS to numbers starting with '191', '193 – '197' and '199' Premium/ Paid content are not possible to be accessed from the service. The included National Data, SMS or MMS allowances or International Call allowance cannot be used whilst overseas.

Subject to the Exetel Mobile Acceptable Use Policy and Terms and Conditions: <http://www.exetel.com.au/terms>

Information about pricing

Plan cost

The plan price is the pre-paid financial commitment for the plan you select. If you exhaust the included National Data Allowance, you will need to either recharge your plan, change your plan or purchase an additional data Add-on allowance to continue to access the internet on your mobile device.

Comparison rates

Standard usage charges (including GST)

2-minute standard call to fixed or mobile numbers on unlimited call plans	Unlimited
Standard National SMS	Unlimited

If you restricted your use solely to standard national mobile calls each of 2 minutes in duration, you could make unlimited calls on the unlimited minute call plans.

This is a summary only, full details on the rate table are available at: <http://www.exetel.com.au/mobilephone/plans-charges>

The International Rate Table is available on the Exetel website: <https://www.exetel.com.au/mobilephone/international-rates>

Credit Card Surcharge

Services that are paid by credit card (Visa, MasterCard or American Express) incur a 1.0% transaction fee. If you wish to avoid this charge, please select the direct debit option.

Other Information

Using Your Service Overseas

You cannot use your Unlimited Voice call minutes, Unlimited SMS or 1,000 Free MMS allowance and or included mobile data allowance if you are overseas. If you want to use your Exetel Mobile Voice Pre-Paid plan when overseas, you'll need to charge up your PAYG account with enough credit to use the services you want to use overseas. You can receive SMS whilst overseas for free. You can check and manage your roaming settings in MyExetel.

You will be charged at our roaming rates which are significantly higher than your normal mobile voice calls, message sent and received and data usage rates (note, roaming is only available for certain countries). To avoid surprises, see <http://www.exetel.com.au/mobilephone/plans-roaming> for information on roaming call, message and data rates or contact our Sales Team if you are unsure.

My Exetel

You will be provided with a secure members portal where you will be able to recharge your data, view your daily data, SMS/MMS and call usage for your prepaid mobile service. You will also be able to track all your Exetel invoices, make changes to your existing service and buy new services from this portal. My Exetel login: <https://www.exetel.com.au/my-exetel>
